

A vibrant, red-lit nightclub interior. The scene is dominated by a warm, monochromatic red glow from stage lights and ambient lighting. In the foreground, a large, textured red fabric hangs from the ceiling. The background features a multi-level bar with shelves stocked with bottles, and a crowd of people, including several men in checkered shirts, engaged in conversation. The ceiling is a complex structure of dark beams and trusses, with several large, glowing circular lights and smaller spotlights. The overall atmosphere is energetic and social.

We design banquets exclusively for each group, based upon your preferences, spice tolerance and dietary requirements. Our staff have undertaken specific training to assemble the best sharing options for you. This dining option ensures the best way to experience a variety of the flavours and traditional Thai recipes our menu has to offer.

Banquets are offered to groups of 10 or more requesting a seated event.  
Please note: At higher price points more premium dishes become available.

## THE MOUNTAIN TOP

Our beautiful top floor is bathed in natural light from our floor-to-ceiling windows and skylights. The exposed bricks and original beams across the high ceilings give the space charm and authenticity. Head out onto the balcony over looking lively Little Collins Street - gaze upward and see the surrounding city skyscrapers towering above you.

A large marble bar is conveniently situated in the centre of the space. The seating areas are comprised of cosy, private booths, bar stools around large share benches and intimate tables of 2. There is ample standing space for mixing with your guests.

The Mountain Top can be hired exclusively for up to 120 guests.

## THE MARBLES

At the front of our top level, you'll find two long adjacent tables we've coined "The Marbles". The perfect space for a whole scope of functions, think anywhere from boozy brunches, to corporate lunches.

These shared tables are fabulous for feasting and socialising. There is ample standing space surrounding The Marbles, ensuring you can stretch your legs in between courses, and say hello to that distant cousin at the other end of the table.

This space allows you direct access to our city balcony, and up to 30 seats for your guests.

## THE MEZZANINE

For a more intimate group dining experience, we present “The Mezzanine”. Our mid-level zone offers the perfect vantage point on the mountain. Whilst remaining tucked away in this semi-secluded space, look out onto the ground floor restaurant and bar below and people watch in privacy. The Mezzanine also offers you front-row seats to our resident DJs - ask nicely, they might just be taking requests.

We would suggest The Mezzanine level for up to groups of 8 guests.

# BASECAMP

Our ground floor “Basecamp” is an ideal space for cocktail parties. With a range of seating, from booths to high top tables, as well as ample standing (or dancing) space, this really is a fantastic area to host a party. The long bar on this level runs centrally and is easily accessed from many points. Our high ceilings, archways and dramatic murals all play into the unique atmosphere of this space.

Basecamp can comfortably hold up to 50 guests.

A man with a beard and a red cap, wearing a white shirt and a dark apron, stands with his arms crossed in a doorway. Above him is a neon sign consisting of two overlapping triangles. The scene is lit with warm, orange light from the doorway and cooler, blue light from the surrounding walls. On the left side of the doorway, there are several notices or posters pinned to the wall.

WE'LL SEE YOU THERE...
